

Unit A

This meticulously appointed suite offers all the advantages of a single-family home without the upkeep. The foyer opens into an open-concept great room and dining area that allow for easy entertaining, whether you're hosting a large party or an intimate dinner for two. Beside the great room, a breakfast bar separates a gourmet kitchen with a walk-in pantry from a casual dinette. The great room is balanced on the opposite side by two spacious bedrooms, two bathrooms and a laundry room.

Unit B

This practical layout offers optimal functionality for people with busy lifestyles. A designer kitchen off the foyer features a breakfast bar that overlooks a combination living/dining room. Floor-to-ceiling windows and patio doors frame views of an angled balcony off the main living area. A second balcony is located off the master bedroom retreat, which is just steps away from a guest bedroom/den, insuite laundry facilities and a main bathroom.

Unit C

Designed for privacy, this spacious corner unit positions the master bedroom retreat in its own wing with a second bedroom located on the opposite side of an expansive living area. The foyer opens into a dining area and great room with lofty 10-foot ceilings. Outdoor living opportunities abound with a corner balcony that wraps around two sides, with access off the kitchen/dinette. The suite also features a second balcony off the master bedroom, 2 ½ bathrooms and a laundry room.

Unit D

An emphasis on comfortable living areas in this loft reflects today's casual entertaining styles. A gas fireplace warms the open-concept great room and dining area, which are visible from the foyer. A breakfast bar in the U-shaped kitchen overlooks both areas, allowing hosts to socialize with guests while they prepare a meal. An angled balcony is accessible from the dining area and the master bedroom. A bathroom on one side of the foyer is balanced, on the other, by a laundry room and an ensuite bathroom.

Unit E

This beautifully proportioned design features an airy great room with a large dining area off the foyer. A long island distinguishes the kitchen/dinette from the main living area, which opens out to an enormous balcony. Ten-foot ceilings and views through oversized patio doors accentuate the spaciousness of the floorplan. The living area is flanked by the master bedroom retreat and laundry room on one side, and a second bedroom and a full bathroom on the other.

Unit F

The clean lines of this suite are evident as soon as you enter the foyer. The open-concept living area boasts a spacious dining area off the foyer and a great room that's divided from an adjoining kitchen by an island. You'll be able to dine al fresco on the main balcony off the kitchen or enjoy a morning coffee on a terrace that forms part of the master bedroom retreat, located at the opposite end of the loft. The suite also features a second bedroom, a full bathroom and a laundry room.

Unit G

As soon as you enter this suite, your eye will be drawn to a huge balcony where you'll enjoy watching the world go by. Patio doors and a large window flood the great room with light, while a gas fireplace warms your feet. Just past a laundry room and a full bathroom off the foyer, you'll reach a U-shaped kitchen with a spacious dinette. On the opposite side of the foyer you'll find a guest bedroom and a master bedroom retreat, which opens out to a private balcony.
